2023/42 **Lakenheath Parish Councillor Reports**

To receive reports from

- (a) Neighbourhood Planning Group including High Street Regeneration Scheme (Cllr G Kelly)

Last Thursday the village had a visit from Suffolk County Council Highways personnel, traffic design consultant and Sheils Flynn, our Consultants.

There were pertinent and productive discussions around:

- (i) Wings Road, too narrow for traffic lights: these would have to be on Back Street.
- (ii) Widening narrow roads to provide parking.
- (iii) Keen on experimental layouts: can get on with fairly quickly.
- (iv) SCC were not aware of the development behind the ex-farm shop
- (v) Any 20-mph limit would be imposed on a zone basis, details to be confirmed (potentially the middle of the village) County Council has to approve of the final plan. Heartening progress has been made.

(b) Business forum (Cllr W Overy): The business forum are in discussion with Football Club: "Business Breakfasts" led by the Central Garage proprietor are planned. Cllr Hugo will contact the owner for a Facebook statement.

(c) Environmental update (Cllr J Cahill): awaiting digger in Hall Drive.

Hall Drive belongs to Yellow Door properties.

At the Litter pick on Saturday, eleven people turned up.

Marabella Way dog bin: suggestion: use an unused brown bin?

Neighbours are watering plants at the Triangle.

(d) Mobile network infrastructure (Cllr Frost): contacted William Gomery at 3 – village needs more than one big mast provider, will keep on nudging. Street masts cost around £175,000 (there are some in Ely). Cllr Frost has informed other providers that we are in discussion with their rivals.

(e) Speedwatch team (Cllr P Gyte): mostly out twice a week out (usually 8am) thinking about a 'coming home' session. The team have been given permission to meet in the centre of the village to raise awareness (without a speed gun)

It was confirmed that SCC Highways will be putting down monitoring loops.

(f) Lakenheath Streetlights (Cllr I Frost)

There are some lights that have been out for some time (one over a year) SCC say that they are demobilising current contractors, changeover to new contractor.

Clerk to investigate alternate providers of streetlight maintenance.

(g) Review of the LPC Emergency Plan: Cllr Hastings reported that there is no basic change, just an update of the people involved. It was thought that all councillors should be involved. Advise people of the new siren phone warning system

A. Planning Application DC/22/0849/FUL

21 Anchor Lane Lakenheath Suffolk IP27 9DP

Ref. No: DC/22/0849/FUL | Status: Pending

One dwelling and garage

Expiry 6th June 2023 DC/22/0849/FUL | Planning application - one dwelling and garage | 21

Anchor Lane Lakenheath Suffolk IP27 9DP (westsuffolk.gov.uk)

OBJECTION:

This appears to be classic `garden grabbing`

Overdevelopment of the site

Anchor Lane is a narrow, single track road, with no pavements, traffic is very tight, councillors have concerns about increasing traffic further.

We believe that, if approved, this will set a precedent for other similar applications from the owners along the lane with large gardens.

The building line is compromised.

This application is in a designated conservation area.
