**5** Clerk explained that she has heard last week from Community Action Suffolk who are our insurance brokers for Parish Protect emailed to inform the parish council that they had been unable to secure insurance for the parish due to not having an LTA with our current insurers. Clerk had asked about the possibility of gaining a LTA but was told that this was not possible. This has affected over 25 parishes and brokers have been unable to secure insurance for the coming year. As our policy ran out on 1<sup>st</sup> October, clerk immediately asked for an extension but this was also denied. After calling SALC who had no knowledge of the problem, Clerk has contacted 4 insurance companies and completed application for insurance for all four, Zurich Municipal

To date we have quotes from Zurich Municipal and Came and Company. Councillors had received copies of the two quotes available along with the current schedule of insurance which runs out on Friday 30/10/2021 to continue to be insured the council needs to decide which insurance company to go with.
